

AFAC News Line # 5 – Horses 101 Valuable resource for new and inexperienced horse owners –
Robyn Moore – December 1, 2011 – Audio Clip Transcriptions

Audio 1 (11 seconds)

“We offer Horses 101 and a Horses 201 courses that help either new horse owners or people that have had horses for a while with information on how to take care of those horses.”

Audio 2 (17 seconds)

“We cover topics such as horse selection: so choosing the right horse for you, Feed and care: How to care for that horse, as well as if you are planning on boarding the horse at a boarding facility, and we also cover some equipment use.”

Audio 3 (16 seconds)

“I know the Alberta SPCA has a great website and great information on how to take care of horses throughout winter as well as our website has some tips on it www.albertahorseindustry.ca and we run the Horses 101 throughout the province all throughout the year.”
