

The Alberta Beekeepers Commission is seeking a passionate and dynamic Team Lead to found our Technology Transfer Team (office location TBD). This is a permanent position, with a salary range of \$60,000-80,000 (based on experience and education) per year and will include benefits. The Team Lead will work for the Alberta Beekeepers Commission and will build a technology transfer program to meet the needs of commercial and small-scale beekeepers across

Alberta. The position requires beekeeping experience, preferably in a commercial beekeeping setting. It will require fieldwork, extensive travel, close interaction with beekeepers and other stakeholders.

A full position description can be found on the Alberta Beekeepers Commission website.

Interested applicants please submit your resume including references to:
